A cleaner drive to fuel savings

June/July 2008, Issue 1 | Presented by Enbridge Gas Distribution | www.ngvontario.com

What's New?

Welcome to Enbridge Gas Distribution's first edition of Natural Gas eNews, your source for information on natural gas vehicles in Ontario. As gasoline prices rise and the environment takes centre stage, what will be the fuel of choice for your fleet? We've been a strong advocate of natural gas as a clean, safe and economical vehicle fuel since the early 1980s.

Highway to Happiness

How did Enbridge Gas Distribution increase employee morale while decreasing their impact on the environment? Simple: They set up natural gas-fuelled employee vanpools.
